

Buffalo, September 10th, 1851.

Sir:

Circumstances, entirely unforeseen at the date of my application, will, probably, render it impossible for me to present myself before the Army Board of Medical Examiners, at its next session.

I desire, therefore, that the application be considered as, for the present, withdrawn. It is my intention to renew the request, so soon as I shall feel myself warranted in doing so.

Allow me to tender my thanks for the prompt attention which my previous communications have received.

I remain, Sir, with much respect,
Your Obedt. Servt.
Albert G. Myer.

To

Hon. Charles M. Conrad
Secretary of War,
Washington, D. C.
