

Dear Charles M. Townsend
Secretary of War
Sir

The undersigned being personally acquainted with Albert J. Meyer M.D. of Buffalo, is permitted that he is a young man of excellent moral character, of high literary and professional attainments, and of good constitution - in short, that, in our opinion, he is possessed of all those moral, intellectual and physical qualifications requisite to enable him to fill creditably and satisfactorily the duties of an officer of the Medical Staff in the Army of the United States.

Austin Flint, M.D.
Prof. of Medicine in
Univ. of Buffalo.

Prof. Webster, M.D.
Prof. of Anatomy Geneva College

C. B. Coventry, M.D. Prof. of Med. &
Prof. Phys. & Med. Univ. of Buff.

Overs

To the Hon Charles M. Conrad
Secretary of War,
Sir,

I am personally acquainted with
Albert J. Myer, ^{A.M.} M.D. of Buffalo, and
know him to be a man of excellent
moral and intellectual character.

Dr Myer served his entire apprenticeship
as a student of Medicine in my office,
and graduated at the Medical College
of the University of Buffalo, in which I am
a teacher, and I am happy to say that
to an academic and collegiate education
of the highest order he has added a most
thorough Medical Education.

Frank H. Hamilton M.D.

Prof of Surgery in the Univ of Buffalo

Surgeon to the Buffalo

Hospital of the Western

Chemical

Buffalo }
Aug. 20th 1857 }

To

Hon Charles M Conrad
Secretary of War
Sir

The undersigned are personally acquainted with Albert Meyer M.D of Buffalo and cheerfully recommend his application to your favorable notice. - Dr M. has enjoyed the advantages of a liberal education, and we believe that he possesses the moral, intellectual, and physical qualities, requisite in an officer of the Medical Staff of the Army.

Buffalo Aug 25th 1851.
